Raushal Shrestha

Bhaktapur, Nepal +977 9840450041

Education

Bachelor in Economics Lalitpur, Nepal
Kathmandu University Expected 2028

- GPA: 4.0 / 4.0 (Spring 2025)
- Relevant Coursework: Econometrics, Linear Algebra, Calculus, Statistics, Data analysis and Machine Learning

Experience

Research Fellow · Nepal Research and Innovation Foundation (NRIF) *July 2026 – Dec 2026*

- Analyzing urban growth dynamics in Nepal using Global Human Settlement Layer (GHSL) data to evaluate spatial concentration vs. spatial diffusion.
- Executing connected component analysis on raster built-up area to track urban spatial evolution via cluster counts, top-cluster distribution shares, and multi-temporal trajectories (*births*, *mergers*, and *persistence*).
- Mentored by Raj Kharel (Univ. of Stavanger) and Nishan Sah (Carnegie Mellon Univ., Heinz College)

Team Member(Writer) · Rear Econ *Dec 2025 – July 2026*

- Synthesized policy briefs on education and development in Nepal through collaborative analysis of seminal academic literature within a 5-member reading group.

Skills

Languages: Python, R, Stata
Tools: Git
Software: Excel (regression, data analysis)
